Jamf 📱

Thank you for your support in the launch of *Learning Futures*. Parents can now download **JAMF** - the parenting app that allows you to be in control over the children's iPads when at home.

You will be able to create rules and restrictions on the amount of time and the types of apps you would like your child to access at home.

You will first need to download the Jamf App.

This 'How To' video will help you set this up.

iPad and Home Learning Reminder

All children were reminded today, in assembly, the amount of time they are expected to spend on home learning after school.

TTRS – only 10 minutes at least 3 times a week (Y2-6)

Maths – set on Showbie approximately 20 minutes once a week.

Reading – approximately 20 minutes on Reading Plus **OR** reading your library book/other reading material at home every day.

Spellings – approximately a 10-minute video or spelling words sent via Showbie to practise on paper.

All other time is at parent's discretion, and iPads can be locked using Jamf.

If you would like support setting up Jamf please let me know.

Uniform Expectations – a gentle reminder
