ORCHARD BLYTH CARE HOME VISITS CURDWORTH PRIMARY

A huge well done to Mrs Jennings for arranging the most wonderful afternoon this week! Hearts were touched and memories created (and recalled for one resident who shared to the care home staff that he used to be a youth worker!). The participation from our Curdworth families, children & staff in gifting ALL the residents of Orchard Blyth was truly humbling to witness.

The residents were entertained with dance performances, singing (not forgetting our children's wonderful signing skills) and stories shared by children of their favourite reading books. Thank you to all the children involved, for bringing this sparkle and shine to our week!

Rory got to read to his great grandfather! Who also attended CPS as a little boy!

Parent Consultations

These are taking place Monday 18th December 1.30 p.m. to 5.30 p.m. Please remember to book your appointment via the Parents Evening section on MCAS. If you are having issues with booking a slot, please contact the school office for assistance.

Reminder

If you have not already done so, please complete the Christmas Craft form for 19th December sent by Mrs Edwards on Dojo.

School Dinner Payments

When schools return in January, our ATLP Catering Management Team will be capping the dinner debt balance at - £5.20.

This means that any pupil with a debt larger than this will only be able to receive a duty of care meal until the balance has been cleared.

We strongly advise that you maintain a regular 'top up' of your school dinner funds to avoid this.

If you need to discuss this matter in confidence, please speak to the school office, or Mrs Kang/Miss Gibbs.

Thank you

A note of thanks to our Curdworth neighbours, Mr & Mrs Wiltshire. for their generous donation of crafting card and paper.

If you - or anybody you know - are experiencing financial hardship and require support over the coming weeks with access to food and/or utilities please contact the Warwickshire Local Welfare Scheme to speak to one of their helpful advisors. The conversation will be friendly and informal - the team will ask about your current situation to understand your circumstances and discuss what support you may be eligible for. If eligible, the advisors will discuss the next steps, including what information you may need to provide in order to receive support, and they will signpost you to other agencies and organisations who can offer help.

To enquire or to apply for support, call the Local Welfare Scheme on 0800 4081448 or 01926 359182.

Please note, there may be a wait time due to an increased demand on the service - your patience is appreciated.
