Movie Night

The PTFA put on a spectacular movie night for the children this Thursday. The big screen was a great hit with the children and the surround sound transformed the hall for the evening's entertainment. A HUGE thank you to Mr Heeley for the set up, Mrs Winters for preparing the popcorn and sweet treats and Mrs Simkins for chaperoning the event.

The feedback from the children has been wonderful and there are already talks about a Christmas Movie Night at the end of the year!

Learning this week...

Children across the school have been working hard at improving their handwriting. Pupils have been focusing on their letter formations through daily handwriting sessions at the beginning of their writing lessons.

Writing is one of the five areas the school is developing this year. Mrs Lugg, our English leader, has been working with staff to ensure approaches to teaching writing are consistent across the school as well as engaging for the pupils. Progress in this area has been evident this week as leaders spoke to children across the school when visiting their lessons.

General Notices

Changes to end of day collection

Please could we ask parents to avoid using Dojo to inform school of any short notice changes to who will be collecting your child at the end of the school day. Dojo messages can easily be missed if the staff members are off site, are teaching, or if the Dojo app fails. Please could you telephone the school office in these instances.

Many thanks

iPad pens

We have some children across school who have misplaced their iPad pen which is affecting them being able to complete learning in class. Please can you have a look to see if you have any around the home.

Thank you
