

## **Covid-19 – Attendance Procedures – SEPTEMBER 2020**

**The government have made it clear that they expect all pupils to return to school in September in all settings and that attendance is mandatory. There is a very strong link between regular attendance and achievement and we will be expecting all of our pupils to return to school to support both their educational achievement and their well-being. We will, of course, continue to work with families to support our young people to achieve this.**

**ATLP have adopted the DFE's addendum (published 6 August 2020) which can be found [here](#).**
