

## Consent Form for the recording and use of images

Dear Parent/Carer

During the course of the school year, we may sometimes wish to take photographs or video recordings of children within school or on school trips, either for our own records, for use as part of our learning curriculum or for inclusion in our promotional material (such as the school prospectus and our website).

The school may also invite an external photographer to the school each year to take official school photographs and may invite the media in to take photographs of pupils engaged in school activities or events for publication.

To comply with the General Data Protection Regulation, we need to ask your consent before the school record any images of your child. In view of this, please read the statements below, complete the slip and return this form to school within the next 10 days.

This table sets out the various reasons for taking, and making use of, images of your child and we would be grateful if you can indicate whether or not you give consent for use in these circumstances. By indicating 'YES', you are confirming that you consent to your child's personal data being shared for those purposes and/or with the named third parties):

1.	For official school photographs, with images taken and available for purchase by parents, and held by the school for identification purposes with names attached.	YES/NO
2.	For official school class photographs taken to be displayed in school and distributed to other pupils in the photograph.	YES/NO
3.	For professional photographs taken of specific events e.g. Sports Day, that may be shared in our prospectus, on the newsletter, on the school website or on our school social media.	
4.	For use on internal school displays	YES/NO
5.	For use as part of projects of work by students. Including photographs of groups of children working together that may be stuck in children's books or journals that go home.	YES/NO
6.	For use on the school's website	YES/NO
7.	For use on the school newsletter (which is shared on the website)	YES/NO
8.	For use on the school's Twitter page	YES/NO

10.	Occasional sharing of images of your child taken for internal purposes with external media organisations or inviting such media organisations to take photographs of pupils (including your child) engaged in school activities or events for publication	YES/NO

We also need your consent before your child's name would be attached to any images accessible externally to the school (for example social media, other websites or the print media). Please indicate below whether you consent to this:

Attaching your child's name to images accessible externally to the school (for example social media, other websites or the print media)	YES/NO
