Introduction

Our Strong Safeguarding Culture

Curdworth Primary School recognises that safeguarding is everyone's responsibility, and it is the duty of the school to safeguard and promote the welfare of all its children.

This is the core safeguarding principle of Curdworth Primary School.

Curdworth Primary School is part of The Arthur Terry Learning Partnership (ATLP) which is made up of 14 schools, 5 secondary schools, and 9 primary schools, within Staffordshire, Birmingham, and Warwickshire. They serve a variety of communities all with different safeguarding needs.

The ATLP has an overarching policy Safeguarding and Child Protection Policy that ensures a strong safeguarding culture across all its schools.

This policy and the procedures contained within, form one of the corner stones of The ATLP's safeguarding culture.

As such, Curdworth Primary School has adapted the processes described in this overarching policy to reflect its specific contextual situation. However, the core principles remain the same for all ATLP schools.

Special covid arrangements put in place by the DfE continue to impact upon our daily safeguarding procedures. However, our safeguarding principles remain the same.

Our Core Principles

Curdworth Primary School is totally committed to safeguarding and promoting the welfare of children. It recognises that this is the responsibility of everyone; all staff, trustees, governors, and visitors have an important role to play.

Curdworth Primary School fully understands the role it plays in safeguarding the youngest and perhaps most vulnerable members of the community and how through good multi agency working it can help protect those too young to protect themselves.

Curdworth Primary School fully understands the need to work in partnership with the three safeguarding partners to safeguard and promote the welfare of children.

Curdworth Primary School has due regard to current legislation when carrying out duties to safeguard and promote the welfare of children.

Safeguarding and promoting the welfare of children is defined for the purpose of this policy as:

- Protecting children from maltreatment
- Preventing the impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes

Children includes everyone under the age of 18.

It is the role of the governing body of Curdworth Primary School to ensure that the appropriate mechanisms are in place to assist staff to understand and discharge their roles and responsibilities as set out in current legislation with regard to safeguarding children.

Curdworth Primary School firmly believes that:

- All children have the right to be protected from harm.
- Children need to feel safe and to be safe in our schools.
- We can contribute to the prevention of abuse including physical, sexual, emotional, neglect, bullying, extreme behaviours, discriminatory views, and risk-taking behaviour.
- Children need support that matches their individual needs, including those who may have experienced abuse.

Curdworth Primary School will fulfil local and national responsibilities as laid out in the latest editions, unless stated, of the following documents:

- Working together to Safeguard Children Department for Education (2018)
- Keeping Children Safe in Education 2020: statutory guidance for schools and colleagues (DfE)
- The procedures of The Warwickshire Safeguarding Children's Board
- The Children Act
- The Education Act 2002 s175
- Dealing with Allegations of Abuse

- Early Help Strategy
- Children Missing from Education
- Sexting in Schools and Colleges
- GDPR
- Mental Health & Behaviour in Schools
- Birmingham Criminal Exploitation and Gang Affiliation
- Early Years Foundation Stage Guidance
- Voyeurism offences act 2019

This policy will be reviewed regularly and may be revised and updated. For this reason, ATLP will authorise Sue Bailey and Nicky Lawton to accept updates on matters of detail between annual reviews and inform the Board. Headteachers will ensure staff are made aware of these changes.

The details of these changes should be listed in the codicil insert at the end of the policy.

Overall aims:

This policy, in line with Keeping Children Safe in Education 2020. It details the agreed inter-agency procedures for effective child protection put in place by their local safeguarding board. In this case the overarching policy reflects those procedures of the Warwickshire Children's Safeguarding Board

This policy will contribute to the safeguarding of students and promoting their welfare by:

- Clarifying standards of behaviour for staff and children.
- Developing staff awareness of the causes of abuse and alerting staff to signs and symptoms and ensuring staff know what to do if they suspect abuse.
- Encouraging children and parental participation in practice.
- Addressing concerns at the earliest possible stage and thereby reducing potential risks to students. This will involve the use of the Early Help process.

This policy will contribute to the protection of children within Curdworth Primary School by:

- Requiring implementation of the child protection policy and procedures.
- Promoting partnership working with children, parents, and agencies.
- Contributing to the establishment of a safe, resilient, and robust ethos in the school, built on mutual respect and shared values.
- Securing the implementation of safer recruitment practices.
- Ensuring the Single Central Record (SCR) is compliant with current legislation with reference to Section 128 checks, proof of address checks and EEA status.
- Establishing a mechanism that enable the chair of governors or safeguarding governor to monitor the SCR and implement any action where appropriate.
- Including appropriate work within the curriculum.

This policy will contribute to supporting children by:

- Promoting the identification and protection of the most vulnerable.
- Promoting the identification of individual need where possible.
- Promoting the design of plans to meet needs.
- Ensuring that support is offered to individual children who have experienced abuse, abused others or act as young carers.

To further support and protect children Curdworth Primary School will:

- Appoint a member of the governing body to take lead responsibility for safeguarding in each school. Details can be found in Appendix 3.
- The Safeguarding Governor for Curdworth Primary School is **Mrs Emma Bullock**
- Create an atmosphere where all our children can feel secure, valued, and listened to.
- Recognise signs and symptoms of abuse at an early stage in line with the Early Help Strategy.

- Respond quickly and effectively to cases of suspected abuse in all its forms.
- Monitor and support children at risk.
- Continue to use the curriculum to raise children’s awareness, build confidence and skills.
- Work closely with parent/carers and support external agencies.
- Ensure that all adults within Curdworth Primary School who have access to children, have been checked as to their suitability and are aware of children protection procedures via training.
- Encourage self-esteem and appropriate self-assertiveness whilst not condoning aggression or bullying.
- Promote a caring, safe, and positive environment within the school.
- Provide continuing support to a child about whom there have been concerns, who then leaves the school, and ensure that appropriate information is forwarded under confidential cover to the child’s new school.
- Ensure there are rigorous and robust systems in Curdworth Primary School to ensure the appropriate monitoring of the use of the internet, and offer training and education to staff, children and parents to keep them safe from potentially harmful online material. Smooth Wall plus other systems are used at Curdworth Primary School to support this.

Key Messages

- Safeguarding and promoting the welfare of children is everyone’s responsibility regardless of role or responsibility. This means they should consider, at all times, what is in the best interest of the child.
- Child abuse happens everywhere – **Notice things! Develop your ‘professional curiosity’.**
- **Be alert to the signs and indicators of abuse.**
- If you have concerns about a child **share the concern with the Designated Safeguarding Lead (DSL), in person and at the earliest opportunity.**
- Do not rely on emails, memos, or voicemail.
- Always consider the worst-case scenario.
- We have a responsibility to report, record, monitor and support.
- Know and follow the child protection procedures.
- There will never be a convenient time, but you must pass your concern on.
- Keep accurate records.

Key principles

Our aim is to follow the key principles of child protection work, as stated by Warwickshire Safeguarding Children’s Board in Warwickshire Early Help Guidance. Documents can be accessed on the WCSB website – WCSB interagency child protection procedures—www.warwickshire.gov.uk/wscbresources.

These are the key principles of child protection work:

- Always see the child first
- Never do nothing
- Do with, not to, others
- Do the simple things better
- Have conversation, build relationships
- Outcomes not outputs

Curdworth Primary School recognises that every child is entitled to a broad and balanced curriculum. Governance is corporate, and decisions are collective, but individual governors can and should take the lead on specific aspects of schoolwork, including safeguarding. When issues arise the headteacher will address them using internal processes and the escalating of them if necessary.

This policy also extends to any establishment commissioned by Curdworth Primary School to deliver education to students on our behalf, including alternative provision. Any commissioned agency will reflect the values, philosophy, and standards of Curdworth Primary School. Confirmation will be sought that the appropriate risk assessments are completed, and ongoing monitoring is undertaken.

Contextual Safeguarding

Curdworth Primary School recognise the importance of considering the context of our school to fully assess and reduce the risks to our students.

As such, we are aware of the extra-familial risks presented to our children in our local environment.

Curdworth Primary School is located in Cudworth Village, North Warwickshire. Curdworth is 11 miles east of the centre of Birmingham. The village is sandwiched between Junctions T1 of the M6 Toll and Junction 9 of the M42 motorways and the busy A4097 Kingsbury Road.

Known safeguarding risks in this area include but are not limited to:

Domestic Abuse

Mental health and well-being

Impact of split families

Alcohol misuse

Online safety

Impact of Covid-19 on unemployment and mental well-being

Senior leaders within Curdworth Primary School will use this information, plus their local knowledge to identify the contextual safeguarding issues their students face.

Appropriate actions, including staff, student, and parental education, will be taken when necessary, to protect students and families.

Key processes

All staff members will receive annual safeguarding training and regular updates as appropriate to enable them to be aware of the systems within their school which support safeguarding. Key staff will undertake more specialist safeguarding training.

All staff, upon induction, must have the following policies and procedures explained to them. This should include:

- Safeguarding Policy to include Appendix One: Protecting Children from Significant Harm
- Staff Behaviour Policy including Guide to Safer Working Practice
- Information about the role of the DSL including details of who the DSL's are and how to contact them

All staff must familiarise themselves with the context of these policies and seek further clarification if unsure.

All staff **must** read 'Keeping Children Safe in Education 2020 Part One' and Annex A and sign to acknowledge they have read and understand this document along with 'Guide to Safer Working Practice'. Further support is available if required from DSL's in each school.

Any member of staff who has access to sensitive information about a child or the child's family will take all reasonable steps to ensure that such information is only disclosed to those people who need to know in accordance with The ATLP GDPR Policy. During term time, the DSL and/or deputy are always available during school hours. Adequate cover will be arranged for any out of hours/out of term activities.

Relevant safeguarding issues will be addressed through the curriculum with a focus on British Values including self-esteem, emotional literacy, relationship education, online safety, sexting, and bullying. This will also include Relationship Education from September 2020. As such the Safeguarding and Child Protection Policy will not be separated from the general ethos of the Partnership which will ensure all students are treated fairly, feel safe, have a voice, and are listened to.

Our DSL's will work closely with Curriculum leaders including the PSHE Lead.

Additional guidance to support governing bodies to help keep children safe online is provided in Annexe C of KCSiE 2020.

Curdworth Primary School is aware, following the Government published Prevent Strategy of the specific need to safeguard children, young people and families from violent extremism and the need to ensure all members of staff are trained in this respect annually.

Definition of radicalisation and extremism, plus indicators of vulnerability in radicalisation can be found in Appendix Two. In response to this threat a nominated DSL will be the single point of contact (SPOC) who will co-ordinate any response.

Curdworth Primary School is aware of the need to safeguard students who are vulnerable to child sexual exploitation, honour-based abuse which encompasses incidents or crimes which have been committed to protect or defend the honour of a

family. This includes child forced marriage and female genital mutilation, involvement in gangs, private fostering, and trafficking. The need to safeguard children from peer abuse should be recognised. Peer on peer abuse can manifest itself in many ways including sexting, sextortion, youth produced sexual imagery and cyber bullying. Staff will be aware of the different gender issues that might be prevalent when dealing with peer on peer abuse and the importance of promoting healthy relationships.

Curdworth Primary School is aware of the cross-government definition of domestic violence and the adverse impact this can have on all children who may witness or be exposed to this type of abuse.

Curdworth Primary School will work together with the local Police force (Operation Encompass) to provide emotional and practical help in cases of domestic abuse.

Additional guidance on sexting, child sexual exploitation, child criminal exploitation, serious violent crime, gangs, county lines, cyber bullying, peer on peer abuse and other issues can be found in Appendix One.

Annex A of KCSiE 2020 also includes guidance on children and the court system, children missing from education, children with family members in prison, child sexual exploitation, child criminal exploitation: county lines, domestic abuse, homelessness, so called honour based violence (including FGM and forced marriage), preventing radicalisation, peer on peer abuse, sexual violence and sexual harassment between children in schools, what is sexual violence and sexual harassment, up skirting ,and the response to a report of sexual violence or sexual harassment.

Annex A also includes the guidance 'Sexting in Schools and College' – responding to incidents and safeguarding young people (UK CCIS 2016). These issues will be addressed through curriculum content and special events.

Curdworth Primary School is aware of safe protocols for using mobile phones and cameras in school and has due regard to the risks from up skirting and voyeurism, along with others.

Curdworth Primary School will monitor 'Children Missing from Education' and those who have 'Left School No Trace' and the inherent risk this can present. This includes the new reporting guidance when a student name is removed from the admission register under any of the 15 grounds set out in the regulations.

The DSL's will work closely with the attendance officers.

Curdworth Primary School will notify the Local Authority when a student name is added at a nonstandard transition point (further details available in the guidance).

Curdworth Primary School will notify the Local Authority of any student who fails to attend school regularly after making reasonable enquiries or has been absent without the school's permission for a continuous period of 5 days or more.

Curdworth Primary School will notify the Local Authority of any student who is deleted from the admission register.

Curdworth Primary School will hold 2 or more emergency contact numbers for each student to support our safeguarding processes.

Curdworth Primary School pays due regard to the current legislation concerning the statutory requirement to report any suspected cases of FGM. When a member of staff suspects or discovers that an act of FGM is going to be or has seen to have been undertaken on a girl under 18, they will pay due regard to the mandatory duty to report it to the police. Failure to report such cases will result in disciplinary sanctions. It is advised that the teacher should consider discussing the situation with the DSL and seek advice/support from Warwickshire Multi Agency Safeguarding Hub (MASH) unless they have a good reason not to, before a decision is made as to whether it is a case of FGM or not, therefore the mandatory reporting duty applies.

Curdworth Primary School is aware of the behaviours associated with drug taking, alcohol abuse, deliberately missing education and sexting that can put young people in danger.

Curdworth Primary School is aware of the risks posed to children by criminal exploitation and gang affiliation and the links to serious violent crime county lines and will work with other agencies to support these victims and disrupt activity.

Curdworth Primary School is aware of the links between mental health and safeguarding and understand that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse. Whilst only trained professionals can make a diagnosis, staff working within schools across Curdworth Primary School staff are well placed to observe children daily and will take the appropriate action if there is a safeguarding concern.

Curdworth Primary School is aware of the impact of adverse childhood experiences on children.

Curdworth Primary School will ensure the No Platform Policy is adhered to within school.

Curdworth Primary School will, when appropriate, share the lessons learned from Child Death Practice Reviews and Homicide reviews.

Curdworth Primary School will follow the new regulations regarding private fostering and the need to report such situations to Social Services. A private fostering arrangement is one that is made privately for the care of a child under 16 (under 18 if the child has a disability), by someone other than a parent or immediate family member. The Children's Act defines an immediate family member as a grandparent, brother, sister, uncle, or aunt (whether of full blood or half blood or by marriage or civil partnership).

Curdworth Primary School will notify WSCB of any known child death.

Curdworth Primary School will adhere to the new guidance, Children Who Pose a Serious Risk to Others in School (School Safety Plan) and Keeping Children Safe in Education 2020.

Curdworth Primary School is very much aware of the link between vulnerability and safeguarding. All vulnerable students are identified, and measures put in place to offer additional support where appropriate.

Curdworth Primary School is aware that there are circumstances when it is appropriate for staff in school to use “reasonable force” to safeguard children. This term may cover a range of actions such as breaking up a fight to leading a child to safety. Reasonable, under these circumstances, means using no more force than is needed. Additional advice is available from <https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>.

Curdworth Primary School will adhere to the new guidance published by the NSPCC – When to call the police.

<https://www.npcc.police.uk/documents/Children%20and%20Young%20people/When%20to%20call%20the%20police%20guidance%20for%20schools%20and%20colleges.pdf>

Curdworth Primary School is aware of children potentially at risk of greater harm and who have an allocated Social Worker (Child in Need and Child Protection Plans LAC). This information will aid and inform decisions about safeguarding, including the provision of pastoral and academic support in line with the findings from the Child in Need review.

Responding to concerns about a child

Dealing with disclosures:

- Stay calm.
- Do not communicate shock, anger, or embarrassment.
- Reassure the child, tell him/her you are pleased he/she is speaking to you.
- Never enter a pact of secrecy with the child. Assure her/him that you will try to help but let the child know that you will have to tell other people to do this. State who this will be and why.
- Tell him/her that you believe them. Children very rarely lie about abuse, but she/he may have tried to tell others and not been heard or believed.
- Tell the child that it is not his/her fault.
- Encourage the child to talk but do not ask ‘leading questions’ or press for information.
- Listen and remember.
- Use T.E.D. Tell me, explain, describe.
- Check that you have understood correctly what the child is trying to tell you.
- Praise the child for telling you. Communicate that she/he has a right to be safe and protected.
- Do not tell the child that what he/she experienced is dirty, naughty, or bad.
- It is inappropriate to make any comments about the alleged offence.
- Be aware that the child may retract what he/she has told you. It is essential to record all you have heard.
- At the end of the conversation, tell the child again who you are going to tell and why that person or those people need to know.
- As soon as you can afterwards, make a detailed record of the conversation using the child’s own language. Include any questions you may have asked. Do not add any opinions or interpretations.

- Never take photographs of marks or ask a child to remove any clothing. Staff should always be aware of their own vulnerability and take steps to minimise risk.

NB. It is not staff members' role to seek disclosures. Their role is to observe that something may be wrong, ask about it, listen, be available and try to make time to talk.

However, where unmet needs have been identified using such a model, but there is no evidence of significant harm, the DSL will add the name of the young person to the records of children with a safeguarding vulnerability and begin an in-school response in line with Early Help.

If needs continue to be unmet, the DSL will escalate the response to ensure the unmet safeguarding needs are addressed. This may include a Think Family or Social Care response via a Request for Support seeking advice from Warwickshire Multi Agency Safeguarding Hub (MASH)

If needs continue to become unmet and referrals are not acted upon, the Lead DSL will use the process outlined in the WCSB Escalation Policy to ensure the child's needs are met until a conclusion is achieved.

Immediately afterwards

You must not deal with this yourself.

Clear indications or disclosure of abuse must be reported to Warwickshire Multi Agency Safeguarding Hub (MASH) without delay, by a DSL. These concerns must be recorded on My Concern in line with school procedures.

You must report concerns to the right person and in person.

Children making a disclosure may do so with difficulty, having chosen carefully to whom they will speak. A disclosure may come in many forms. Listening to and supporting a child / young person who has been abused can be traumatic for the adults involved. Support will be made available to staff from the DSL or headteacher.

If it is felt that the child's needs fall into a category of Universal Plus or Additional Needs, the DSL will offer and seek advice about an Early Help Assessment. If the concerns are deemed complex and significant this will be referred to Warwickshire Multi Agency Safeguarding Hub (MASH).

When invited, the DSL will participate in a strategy meeting, adding school held intelligence to the discussion.

Responding to concerns about a child

1. Where Curdworth Primary School has concerns about a child, the appointed DSL will decide what steps should be taken and will advise the headteacher.
2. Child protection information will be dealt with in a confidential manner. Staff will be informed of relevant details only when the DSL feels their having knowledge

of a situation will improve their ability to deal with an individual child and / or family. A written record will be made of what information has been shared with whom, and when on My Concern.

3. Curdworth Primary School will ensure child protection records are stored securely in a central place separate from other records. Schools within Curdworth Primary School use MyConcern. Files will be kept for at least the period which the child is attending the school, and beyond that, in line with current data legislation.
4. Access to these records by staff other than by the DSL will be restricted, and a written record will be kept of who has had access to them, and when, where appropriate.
5. Parents will be aware of information held on their children and kept up to date regarding any concerns or developments by the appropriate members of staff. General communications with parents will be in line with any home school policies and give due regard to which adults have parental responsibility.
6. **No information will be disclosed to a parent held on a child if this would put the child at risk of significant harm.**
7. If a child moves from Curdworth Primary School, child protection records will be forwarded on to the DSL at the new school, with due regard to their confidential nature. **Transferring schools will forward child protection records to their new destination in their entirety. Schools are permitted to keep a copy of the chronology sheets for their own records.** Contact between the two schools may be necessary. Each school will record where and to whom the records have been passed and the date.
8. Records held on My Concern will be transferred electronically.
9. If sending by post, children's records will be sent by 'Special / Recorded Delivery'. For audit purposes a note of all children's records transferred or received should be kept in either a paper or electronic format, this will include the child's name, date of birth, where and to whom the records have been sent and the date send and / or received.

Responding to allegations about a member of staff:

1. **The ATLP Allegations of Abuse against Staff Policy should be followed along with the guidance in KCSiE Part four.**
2. INDICATORS OF VULNERABILITY TO RADICALISATION

1. Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism leading to terrorism.
2. Extremism is defined by the Government in the Prevent Strategy as:
Vocal or active opposition to fundamental British Values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.
3. Extremism is defined by the Crown Prosecution Service as:
The demonstration of unacceptable behaviour by using any means or medium to express views which:
 - Encourage, justify, or glorify terrorist violence in furtherance of beliefs.
 - Seek to provoke others to terrorist acts.
 - Encourage other serious criminal activity or seek to provoke others to serious criminal acts; or
 - Foster hatred which might lead to inter-community violence in the UK.
4. There is no such thing as a “typical extremist”: those who become involved in extremist actions come from a range of backgrounds and experiences, and most individuals, even those who hold radical views, do not become involved in violent extremist activity.
5. Pupils may become susceptible to radicalisation through a range of social, personal, and environmental factors - it is known that violent extremists exploit vulnerabilities in individuals to drive a wedge between them and their families and communities. It is vital that school staff can recognise those vulnerabilities.
6. Indicators of vulnerability include:
 - Identity Crisis – the student / pupil is distanced from their cultural / religious heritage and experiences discomfort about their place in society.
 - Personal Crisis – the student / pupil may be experiencing family tensions; a sense of isolation; and low self-esteem; they may have dissociated from their existing friendship group and become involved with a new and different group of friends; they may be searching for answers to questions about identity, faith and belonging;
 - Personal Circumstances – migration; local community tensions; and events affecting the student / pupil’s country or region of origin may contribute to a sense of grievance that is triggered by personal experience of racism or discrimination or aspects of Government policy.
 - Unmet Aspirations – the student / pupil may have perceptions of injustice; a feeling of failure; rejection of civic life.

- Experiences of Criminality – which may include involvement with criminal groups, imprisonment, and poor resettlement / reintegration.
- Special Educational Need – students / pupils may experience difficulties with social interaction, empathy with others, understanding the consequences of their actions and awareness of the motivations of others.
- However, this list is not exhaustive, nor does it mean that all young people experiencing the above are at risk of radicalisation for the purposes of violent extremism
- More critical risk factors could include:
 - Being in contact with extremist recruiters.
 - Accessing violent extremist websites, especially those with a social networking element.
 - Possessing or accessing violent extremist literature.
 - Using extremist narratives and a global ideology to explain personal disadvantage.
 - Justifying the use of violence to solve societal issues.
 - Joining or seeking to join extremist organisations; and
 - Significant changes to appearance and / or behaviour.
 - Experiencing a high level of social isolation resulting in issues of identity crisis and / or personal crisis.
- Consideration should also be given to employees, volunteers or other adults known to the school, who may be subject to radicalisation. Similar risk factors apply, and the procedures laid out in this policy should be followed.
- Safeguarding students who are vulnerable to radicalisation.
 - Since the publication of the first version of Prevent, Curdworth Primary School has been aware of the need to safeguard all members from extremist ideology. We are aware that extremist groups both internationally and locally have tried to radicalise young people
 - Curdworth Primary School values freedom of speech and the expression of belief and ideology as fundamental rights underpinning of values. However, we also recognise that freedom comes with responsibility and we are all subject to the laws and policies governing our schools.
 - Therefore, we seek to protect young people against the message of violent extremism including these linked to Islamist ideology, Far Right/Neo-Nazi/White Supremacy, Animal Rights, and others.
 - Curdworth Primary School is aware of the support available via the Chanel programme and will encourage those students identified as being vulnerable to being drawn into terrorism to engage with this confidential, voluntary multi agency process
 - Our Senior Leaders will assess the level of risk within our school communities and put plans in place to reduce this risk. The risk will be reviewed as part of our Annual 175 return.

PREVENTING VIOLENT EXTREMISM - ROLES AND RESPONSIBILITIES OF THE SINGLE POINT OF CONTACT (SPOC)

Each of The ATLP schools will identify a SPOC. These are listed in the appendix 3.

The SPOC for Curdworth Primary School is Mrs L Dodd

SPOC'S are responsible for:

- Ensuring that staff of the school are aware that you are the SPOC in relation to protecting students/pupils from radicalisation and involvement in terrorism;
- Maintaining and applying a good understanding of the relevant guidance in relation to preventing students/pupils from becoming involved in terrorism, and protecting them from radicalisation by those who support terrorism or forms of extremism which lead to terrorism;
- Raising awareness about the role and responsibilities of Curdworth Primary School in relation to protecting students/pupils from radicalisation and involvement in terrorism;
- Monitoring the effect in practice of the school's curriculum and assembly policy to ensure that they are used to promote community cohesion and tolerance of different faiths and beliefs;
- Raising awareness within the school about the safeguarding processes relating to protecting students/pupils from radicalisation and involvement in terrorism;
- Acting as the first point of contact within the school for case discussions relating to students / pupils who may be at risk of radicalisation or involved in terrorism;
- Collating relevant information in relation to referrals of vulnerable students / pupils into the Channel* process;
- Attending Channel* meetings as necessary and carrying out any actions as agreed;
- Reporting progress on actions to the Channel* Co-ordinator; and
- Sharing any relevant additional information in a timely manner.

- * Channel is a multi-agency approach to provide support to individuals who are at risk of being drawn into terrorist related activity. It is led by the Warwickshire and West Mercia Police Prevent team, and it aims to
- Establish an effective multi-agency referral and intervention process to identify vulnerable individuals.
 - Safeguard individuals who might be vulnerable to being radicalised, so that they are not at risk of being drawn into terrorist-related activity; and

- Provide early intervention to protect and divert people away from the risks they face and reduce vulnerability.
