

THE ALLSORTS CLUB

CURDWORTH PRIMARY SCHOOL FARTHING LANE CURDWORTH SUTTON COLDFIELD B76 9EZ

07721 005995 or theallsortsclub@aol.com

May 2021

Dear Parents

We understand that your child will be attending Curdworth Primary School from September and would like to introduce ourselves.

The Allsorts Club is a before and after school setting, that has been offering childcare for over 27 years, we operate from the school grounds and provide wrap around care for children who attend the primary school or Curdworth Preschool. The club is registered and inspected by OFSTED Early Years, is fully insured and is supported by Warwickshire Early Years Team. The setting is overseen by a voluntary management committee made up of past and present parents. We employ highly qualified staff who are fully trained in a variety of childcare qualifications along with food hygiene, first aid and child protection.

We are registered to take children up to seventeen years of age and can support families at different times during a child's school years. We offer breakfast club to all children who attend Curdworth Preschool where a parent would benefit from an earlier start.

The setting offers breakfast club from 07:30 with a varied and healthy menu which runs from a 'self-serve' café style bar. All younger children are taken into class and are supported with learning the morning routines within the school.

After school we offer care until 17:15, with provision for later collection tailored to individual needs; children are collected from their classroom to ensure safe arrival at the setting which is based in the portakabin in the school grounds. The children are offered tea during the after-school session, this can be hot or cold, and all of the children will be included in choosing the menu for the term. Meals are healthy and designed to fit in with government and school healthy eating. We work closely with the teaching staff within school and are experienced supporting children who may have additional requirements.

If you would like to contact the club please email theallsortsclub@welearn365.com or telephone the manager on 07721 005995. The setting has an 'open door' policy and you are welcome to call in during the above hours if you would like to see us in operation and chat to the staff.

Yours sincerely

The Committee

The Allsorts Club
