

# CURDWORTH PRIMARY NEWS

## 2020 - 2021

ISSUE 12  
JUNE

### COVID REMINDERS

If your child has any one of the key covid symptoms:

- high temperature
- new persistent cough
- loss/change to sense of taste/smell

They must not be sent into school and must get a negative test result from a **full PCR** test at a test centre before they can come back to school.

We continue to encourage parents not to send children into school if they are poorly. Children who are unwell with any other symptoms (such as a bad stomach or sore throat) are advised to complete a lateral flow test at home or at the lateral flow test centre in Water Orton.

We do all appreciate how frustrating this is but want to do our absolute best to keep everyone well and avoid having to close down bubbles again.

### GOOD LUCK MISS CHETWYND!

Miss Chetwynd will be leaving school on Friday to go on her maternity leave. Please join us in wishing her all the best. We will miss you Miss Chetwynd and look forward to the news of your new arrival.

### READING BOOK AMNESTY

We still have a large number of home school reading books missing from periods of lock down over the last 14 months. Staged books cost around £5 each to replace and we cannot afford to replace all of the titles that have gone missing!

Please, please, please can you look for any books that belong to school at home and return them to us when we return to school as soon as possible.

### SQUIRRELS CLASS RESIDENTIAL TRIP

Whitemoor Lakes 23rd – 25th May 2022

Thank you to everyone who has returned their slips to reserve a space on the Whitemoor Lakes Residential Trip for next academic year. Please can we ask parents/carers of any children currently in Year 4 or Year 5 who haven't returned their slip to send it in as soon as possible. Thank you.

## PE KIT

Over the last year, we have found it much easier for children to come to school in PE kit on their PE days. It has meant that children have longer PE sessions as they don't have to spend time changing. It has also meant a lot less lost property!

From September, our PE kit will include a royal blue hoodie, a red, green, yellow, or royal blue t-shirt (depending on your child's family group), plain black leggings or joggers and trainers. PE t-shirts and PE hoodies with the school logo on can be purchased from Trutex or Clive Marks uniform suppliers.

We will be asking children to wear this kit when they go swimming as it will be easier to change in to and will also be asking children to wear it when out on school trips, as the uniform colours makes it easier to identify our children when other schools are present.

## FUNDRAISING FOR SCHOOL

Unfortunately, this year we will not be able to hold our usual summer fete. It is one of our favourite events of the school year and is always an excellent way to raise money for our school fund. As a result of previous fundraising efforts by members of our school community, we are hoping that we will be able to afford to have new outdoor play apparatus installed very soon. In order to enable us to raise more funds we have the following fundraising events planned.

### Ice cream sales

Ice creams will be on sale at the end of the school day on 18.06.21 and 02.07.21. Children who would like an ice cream will need to bring in £1 in a named envelope. Ice creams will then be brought round to the class rooms just before the end of the school day.

### Non-uniform Day

Children are invited to come into school wearing non-uniform on 25.06.21 and on 12.07.21.
