Dear Parent/Carer,

**(Sample Menu) This will change for September**

This is what our food offer looks like, but this can be tailored to meet the requirements of the Pupil.

We offer a three-week menu cycle, which is changed twice a year. The children have a choice of two meals per day.

We also cater for any special diet requests such as allergies.

As soon as a new menu is available, we will upload it onto Class Dojo

Any questions please don't hesitate to contact me, always happy to help.
