

NEWS...

I am excited to announce Mrs Chetwynd's return from maternity leave at the end this half term. However, this news is bitter-sweet, as she will be leaving Curdworth Primary at the end of this academic year. Mrs Chetwynd has been a big part of this school and had immense impact on our children, she will be greatly missed by all. We wish her all the best, wherever her next chapter takes her. She returns on Wednesday 25th May.

As part of our school development in phonics and early reading, from next week the way teachers will give home reading books for Reception and KS1 classes will be slightly different. Please lookout for additional information by your child's class teachers via Class Dojo.

We've seen some great healthy snacks this week, I thank you for the support. To clarify, we want to ensure children have snacks at break time that contain less sugar to support their concentration and learning. I have no concerns with children having a small chocolate, small cake or cookie, or a packet of crisps as part of their lunch for those who have packed lunches.

An important week for our Year 6 children next week, after 2 years SATs are back. This is a useful way for schools to assess progress and attainment. We do not want children to be worried about taking the assessments so we encourage children to have a relaxed weekend, spending time with family and friends and enjoying a good book!

Have a lovely weekend everyone,

Jas Kang :)

Head of School
