20th May

Curdworth Primary Jubilee Celebrations

Join us for a picnic style lunch on Friday 27th May 1 to 2.30pm to celebrate our Queen's Platinum Jubilee.

All parents welcome.

Parents can order their child's picnic lunch using MCAS as normal. Guests should bring their own food and drinks (no alcohol permitted on school grounds)

There will be music and performances to enjoy.

Dee's Ices will also be available from 1.45pm should you wish to purchase an ice cream for you and your child.

We hope you can make it!

NEWS...

This week Hedgehogs took part in a Chartwells workshop learning about different foods. They tried all sorts of new and familiar foods, making decisions on which they enjoyed the most, and least! They travelled around the world through foods from Mexico, Spain, India, Italy and England!

Year 4 were out in the Forest School this week! They had a brilliant time learning all about nature's materials and making clay hedgehogs. Next week, the rest of the school will be attending Forest School – check out your child's class page for days & dates!

A packed week next week, full of lots of exciting things! Year 3 & 4 will be swimming 🏊, Y5 & 6 are off on their residential 🚌, and to end the week we hope to see you Friday afternoon for our Jubilee Event. We encourage children to wear **red, blue, and white** colour clothing to get into the Jubilee spirit! **No football kits please.** Fingers crossed, the weather will be on our side! ☀️ **You will be let onto school grounds via the KS1 gate, you will then collect your child or children from external class doors as normal, and then find a seat on the KS2 playground to enjoy your picnic together. Performances from the children will begin approximately at 1.30pm.**

Have a restful weekend, 😊
Jas Kang – Head of School
