NEWS...

Another packed week full of lots of exciting learning and experiences. Myself and the staff who attended the residential with Squirrels class this week could not have been more privileged to be a part of the great life-long memories that were made over those 3 days. The children tested their resilience, patience and endurance taking part in many activities and the way they pull together as a team was warming to watch. Our hearts are full ♥; our bodies are tired 😊 – the children deserve their lie in over the weekend!

Foxes Class completed their final swimming sessions for the year. They worked so hard developing their strokes and knowledge of keeping safe in the water. Swimming progress will be shared at the end of the year with reports.

Next half term we have GB athlete, Joe Roebuck, visiting the school and holding our very own sports event. Children were given sponsorship forms to complete to help raise money for PE equipment; Mrs Teasdale has shared how you can support via Class Dojo. Please contact the office for more details.

Finally, thank you to all who attended our Jubilee Event. The children did a cracking job putting on those performances. I'd like to take this opportunity to thank Miss Harris for the dedication she put into rehearsing with the children; Lorraine from ARTS 🎨 for joining forces with us sharing her expertise and talents with our incredible children; Mr Heeley for providing the music 🎵 and keeping a feet tapping and heads bopping throughout the afternoon; Dion for keeping us cool with her delicious ice creams! 🍦 And finally all the parents, children and staff for helping in ensure the event ran smoothly and safely. ❤️

Have the most wonderful half term break with family and friends – you deserve it!

Mrs Ias Kang 🇬🇧
