

# CURDWORTH PRIMARY NEWS 2021 - 2022

ISSUE 15  
10th June

## NEWS...

It has been a packed first week back after half term! This week, Year 1 were visited by 4 fire fighters to learn about fire safety and Squirrels took part in a road safety workshop. Both groups of children saw the importance of keeping themselves safe in and out of the house.

On Tuesday, Eli, Hugo, Florence, Minnie, Chloe, Parker and Abel took part in Cross Country. Miss Harris said, 'Children showed great resilience in running over a mile. They showed great support for each other cheering Team Curdworth on!' Well done children, you did us proud!

## Next Week:

## Curdworth's Got Talent

A very successful talent show today led by Miss Harris. We were blown away by the bravery of the children performing their acts in front of 100+ children as well as some of the skills and talent amongst our school! The children showed just how kind, supportive and respectful they are, giving their full attention to the live and pre-recorded acts! We can see this becoming an annual event! A massive well done to all the children who took part and congratulations to the 6 finalists! Miss Harris will be in touch with parents regarding the final, community talent show.
