

Curdworth Primary Newsletter Issue 16

What's happening at Curdworth...

Bike-ability was a success this week! The children have learned how to keep themselves safe while out on the road and could share the signals needed to be used by cyclists.

Owls class thoroughly enjoyed their trip to Sudbury Hall on Wednesday which supported their learning on Toys from the Past. They were able to explore toys from the past that their parents and grandparents may have played with and created timelines to show the order of toys from old to new. They loved going through the chimney which gave them an insight of what it was like for children who had to work.

Curdworth Primary children made it into the Curdworth Crier this week, sharing their new playground benches gifted by the Parish Council. Check us out!

The PTFA are organising a Valentine's themed school disco for Thursday 16th February. Tickets can be purchased by sending £5 in an envelope and handing it to Claire Winters or your child's class teacher. Have a good weekend, Miss Gibbs ☺

PARKING

Lots of you support the school in keeping children safe during drop off and collection and I thank you for participation. There are a small number of families who are parking up on the yellow zigzags and wait. Please refrain from doing this as it causes a back log of traffic on Farthing Lane, thank you.
