Newsletter Issue 18

What's happening at Curdworth...

Music lessons Those parents who have paid for keyboard/guitar lessons for their child will receive a refund for this half term. I apologise on behalf of Link Learning for the delay in these starting. This has been due to staff illness at Link Learning.

Long Hair Please ensure that children who have long hair (passed shoulder length), have their hair tied up for school. Nits are easily spread with untied hair, it is also unsafe for long hair to be loose during outdoor play, lunch and PE lessons.

Many thanks for your understanding.

Children's University

Check out Arlo R from Owls class using his telescope when completing the CU Garden Birdwatch!

Have a good weekend, Mrs Kang ☺

Year 5/6 SPACE CENTRE TRIP

Squirrels class have been learning about Earth & Space in Science this half term. Today they visited the Space Centre to deepen their knowledge and widen their learning. The most exciting part of the day was watching the astronaut show in the planetarium!

Staff and members of the public commented on how wonderfully behaved all the children were – Squirrels class, I am proud of you!
