What's happening at Curdworth...

Reading Plus Some of you requested the Reading Plus site code last week, for future reference this is **RPCURDW1**

Clubs After parent feedback, we have tried our hardest to increase the number of clubs we have on offer. These will go live today. We will try our best to ensure children get the clubs they want but to ensure clubs are run fairly and safely, we can not guarantee everyone's first place choice.

Website As a school we are working on increasing communication on what our school offers through the curriculum we teach. We have developed our Maths, RE and PSHE pages on our website for your information.

Children's Mental Health Week

This week children participated in Children's Mental Health Week. The week was launched with a whole school assembly followed by class based activities during PSHE lessons. The theme being 'Let's Connect'.

Next week children will take part in well-being workshops facilitated by Relaxed Kids to support keeping children's minds healthy.

Have a warm weekend, Mrs Kang ☺
