### What's happening at Curdworth...

Foxes class had a fantastic three days on their residential. All adults who attended commented on how independent, resilient, determined and creative the children were. They also showed brilliant teamwork during the trip. They experienced many activities including paddleboarding, rock climbing, fencing, a challenge course and buggy building which they completed with great enthusiasm.

You will now have been notified which after school clubs your child has been registered to. Clubs will start the first week back after half term.

The children took part in well being workshops this Thursday and learned skills to help them regulate themselves. Some of the children took part in story massages and used a breathing stick to help them control their breathing. Others made a bracelet to support them in calming themselves. This was a positive experience for the children and the adults enjoyed attending too.

The Valentine's School Disco that was organised by the PTA was a success! The children had lots of fun dancing with their friends and there was even a dance off competition that was won by Henry E.

This week, Hedgehog Class have been keen to discuss the Turkey-Syria earthquake and what they can do to support those in need. During Friday's assembly, they shared a song they have learned to show they have been thinking about them. They have also organised a **Pyjama Day on Friday 3<sup>rd</sup> March**. For a **£1 donation**, the children can come to school dressed in their pyjama's.

A shout out to Dylan in Squirrels Class who has received his first Children's University certificate for completing 30 hours of extra-curricular activities.

*Have a fantastic half term break, Miss Gibbs 😊*
