What's happening at Curdworth...

Quad Kids – Some of our Y3/4 children took part in the North Warwickshire Quad Kids games this week. The children had a lovely time taking part in the different games and represented the school well. Well done children!

The Book Fair was a huge success this year, selling almost £1000 worth of books. I hope the children enjoy them over the summer. The **school council's Silly Science Day** was a big hit amongst the other children of the school. It makes me so proud that the council are taking their roles and responsibilities seriously and showing a real passion in school development. All money raised through the sponsorship will be spent on what the school council feel is best for the rest of the children at school. Thank you to Ms Masters who is in charge of leading this group.

A **reminder that Monday is Non-uniform day** and the PTFA are asking for bottle donations in preparing for the school Summer Fair which has been moved to Thursday 6th July.

Secondary school transition for Warwickshire schools has been moved to Monday 10th July. Plantsbrook's transition day is on Wednesday 12th July.

I am pleased to share that Mrs Edwards, our new Office Manager, will start on Monday. Mrs Edwards is coming from working at Plantsbrook and has great experience of working in schools and with children and no doubt will fit into our Curdworth Family in no time!

Mrs Kang 😊

Special achievements & mentions ...

This week, 15 of our incredible children attended their Silver Children's University Graduation which took place at The Coleshill School. It was a wonderful evening, celebrating the children's achievements from different primary schools across the partnership. Well done to our 15 achievers, I hope you wear your silver Owlbert badge with pride!

Happy Birthday!

Mylo, River, Ava & Charlotte
