

Curdworth Primary Newsletter

Summer Edition Issue 38

What a BRILLIANT school year we have had!

It seems like it was only yesterday we were getting ready for the school year, new teachers settling in, new Hedgehogs starting their primary school journey and the sad news of our Queen's passing. We have achieved many great things this year; resuming residentials, introducing new residentials, trips to the Space Centre, Sea Life Centre, Sudbury hall, weekly swimming lessons, family events, class assemblies, Children's University Graduations, after schools clubs like French, Sign and Choir. As well as our Class Dojo, reading and TTRS celebrations, and last but not least, our Ofsted visitors who saw our family-oriented, high expectation and inclusive school. I have never been so proud to work in education than I have been at Curdworth. Children are the heart of what myself and my staff do, and I am proud and pleased of what our children have achieved this year.

Next year I look forward to making even more progress at Curdworth alongside the children, staff and community. A very long time ago I was told school staff are like dream weavers, and I will endeavour to work with a team who weaves threads of hope, kindness, ambition and self belief to all the children who pass through this school. I hope all children and families have a wonderful and safe summer break.

Thank you,
Mrs Kang 😊 x

Goodbye Miss Mosavi & Mrs Langston

We are sad to see 2 of our amazing teaching assistants leave us this year. Both Mrs Langston and Miss Mosavi have been incredible in their class roles, lunchtime supervisor roles, and after school clubs. The school will be a different place without them but we wish them all the best in their new jobs. Both of them are also parents at the school so we will still see them around. 😊 ❤️

Goodbye Year 6 😊

Today we say goodbye to our wonderful Year 6s. They have worked incredibly hard this year in all their learning and during SATs week. They have gained so many memorable experiences from school, trips days, and not to mention our week long trip to France. We do hope that today is not the last we see of them and they come back to visit us. Year 6, we will miss you deeply. Remember, be bold, be strong, be you! 🦋 ❤️
Lots of love from all at Curdworth Primary x

Term Dates:

4th & 5th Teacher training days

Return to school Wednesday

6th September

Half term break – Monday

30th October to Friday 3rd

November

INSET DAY Friday 1st

December

Christmas break – Monday

25th December to Monday 8th

January

Upcoming Term Dates 2024

Return to school – Tuesday 9th

January

Half term break – Monday 12th

February to Friday 16th February

Easter break – Monday 25th March to

Monday 8th April

6th May Bank Holiday

Half term break – Monday 27th May

to Friday 31st June

INSET DAY Monday 17th June

INSET DAY Friday 5th July

Happy Birthday!

End of Summer Term Assembly Celebrations!

| | | Summer Term | Year |
|-----|----------|-------------|-------|
| 1st | Rover | 4470 | 12387 |
| 2nd | Ford | 4215 | 12037 |
| 3rd | Vauxhall | 3839 | 11190 |
| 4th | Jaguar | 3812 | 11009 |

This term it was Rover family group that led the way with the most Class Dojos! All children have worked incredibly hard to earn their dojo points this term! Rover family group enjoyed a disco and games afternoon on Thursday, with popcorn and treats! 🍿 🍩

Rover family group also earned the most Class Dojo points for the year. Well done to all the children in Rover!

100% ATTENDANCE STARS

More children achieved their 100% attendance award this term. Well done to all 43 children who have attended school every day since April! The attendance celebration breakfast took place on Friday 21st July 😊.

TTRS ROCK STATUS AWARDS

So many children improved on their times tables this term! Well done Rock Stars! 🌟
Some children moved multiple rock statues whilst others improved on their speed within their current rock status!

Reading Champions!

Children continue to progress on their Reading Plus tasks and reading in and outside of school. Reading, and reading well, is the key to learning.

This term, **Isla, Dolly, Rory & Arlo S** were our Reading Champions for their dedication to reading. They each received a £10 The Works voucher to put towards purchasing new books to enjoy at home. 😊

📖 Well Done 📖

Children continue to work towards their half and full marathon goals! Their stamina in running is improving leading to overall fitness. Regular exercise is important as it improves quality of life, is good for the body and the mind and supports keeping focused when learning within the classroom. This term we wanted to celebrate the children's effort and dedication to improving their personal best, so we awarded 1 child per class who has shown greatest commitment towards the Marathon Kids programme. These were:

Dylan from Squirrels, Eli from Foxes, Rowan from Owls & Zachary from Hedgehogs.

🏆 They each received a gold medal. 🏆

MARATHON KIDS

REDUCE YOUR SPEED

Please remember to reduce your speed when driving up/down Farthing Lane. There was a near miss of a Curdworth pupil this week. Keep to the limit!

A further two children have received their **BRONZE CU Award** and two children have received their **BRONZE CU Certificate** for their enrichment activities outside of the classroom. They have been awarded their bronze Owl-Bert badge which they should wear with pride on their school jumper or lanyard.

CONGRATULATIONS to all the children who have received Children's University during the Summer term! 🏆

Say hello to our Community Advocate:

Hi, I'm Laura and I am the community advocate for Curdworth Primary School. My role is to build stronger relationships and communication between the

community, parents and the school to bring Curdworth Primary into the centre of the community and help everyone feel included and heard. I have 2 children at the school and you will regularly see me on the school run. Please share your ideas or questions with me. More to come in this space from September!

Laura Heeley
