## News from week 3 at Curdworth Primary...

We have had a great first full week at Curdworth! Children have undertaken baseline assessments, started their new topics and new Family Leaders & Deputies have been chosen! Please join me in congratulating the following children for their new roles at Curdworth.

Most parents have now managed to successfully register and are using the Relish portal to book dinners for children. Many of the children have spoken positively about the new menu which is pleasing. We continue to take feedback from the children on the dinners.

Next week, the children's iPads will be arriving. The iPad launch date has been moved to Thursday 21<sup>st</sup> September. Children will be coming home with their school iPads, cases and chargers and are expected to bring them into school every day.

*Have a happy weekend,*

*Mrs Kang & Miss Gibbs* 🌻
