iPad deployment at Curdworth

It has been a very exciting week for all the children at Curdworth! On Thursday, all children from Year 1 to Year 6 received their very own iPad to enhance their learning at school and at home. They had a complete unboxing experience which involved them opening and setting up their own iPad.

Over the last two days, the children have been exploring how to use different features on the iPad such as how to AirDrop, how to voice record, how to take pictures and many others. They have already begun using them in their lessons which has been brilliant to see.

Next week, we will be sending out further information about the iPads and how you can keep your child safe whilst using them.

Hedgehog children will also begin to use their class set for different activities.

Have a happy weekend,
Mrs Kang & Miss Gibbs 🌻

House Points

1st	Rover	228
2nd	Ford	219
3rd	Vauxhall	218
4th	Jaguar	215
