23rd April 2024

Dear parents/carers,

I am writing to circulate our term dates for the next academic year. The calendar on the reverse of this letter indicates the days in school, holiday dates, INSET days and early finish days. These dates are being circulated in advance to enable parents/carers to plan holidays around school time. For those families who have children at The Coleshill School, where it has been possible, our INSET dates fall in line again next academic year.

As in previous years, when setting these dates, we have worked especially hard to ensure that we have organised our INSET days to allow families to have the space to take holidays when children are not in school. For example: we have set INSET days next to school holidays which should enable families a little more flexibility to book a holiday without missing time in school.

In previous years, we have had a number of families who take children out of school in order to go on holiday and, in some cases, this has been reported by parents/carers as illness, however children have informed friends and teachers that they have been on holiday. **Please note: where we are confident that families have been on holiday, childrens' absence will be marked as unauthorised and the appropriate processes will be followed.** Missed school time causes huge disruption to the learning of children. Next academic year, we will continue to work with the Central School Attendance and Welfare Service (CSAWS) to tackle persistent and unauthorised absence.

We very much want to continue to work in partnership with parents/carers to ensure that all of our children get the very best education possible.

Many thanks in advance for your support.

Yours sincerely,

Jas Kang
Head of School
