This week...

Parents Evenings

A big thank you to everyone who joined us for Parents' Evening! It was wonderful to see so many of you and have the chance to talk about your child's progress.

These evenings are so important because they give us the chance to connect, share insights, and make sure we're all on the same page when it comes to supporting your child. Whether it's celebrating achievements or working together on areas for improvement, these conversations are key to helping your child succeed.

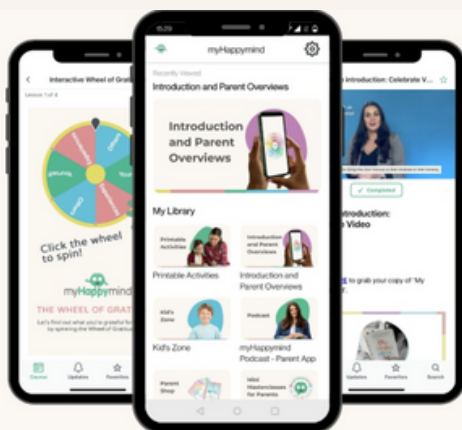

We really value the partnership between home and school, and your involvement makes all the difference in helping our pupils feel supported and motivated. Thanks again for taking the time to be part of your child's learning journey.

Owl class rescheduled bookings

Once again we apologise for having to cancel some bookings on Wednesday. These have been rescheduled for Wednesday 27th. Please rebook via MCAS due to availability times changing.

My Happy Mind

Staff were excited to share a bit more about My Happy Mind during this week's meetings with parents. They will be sharing any WOW Moment comments left by you with pupils at school.

If you have not already, please take advantage of the FREE Parent App available so you too can learn about My Happy Mind and be able to understand and talk with your child/children about the techniques used to keep our minds healthy and happy.
